

National Bowel Cancer Audit (NBOCA) Bulletin

Dear colleagues,

Due to a delay with accessing the Hospital Episode Statistics (HES) dataset, the final submission deadline has now been extended until **Friday 14th June 2019**.

This is for patients who were diagnosed with colorectal cancer between 01/04/17 and 31/03/18 and includes treatment records up until 14/06/19.

Kind regards
The NBOCA team.
